INFORMATION DISCLOSURE STATEMENT

Under 37 CFR 1.97

This Information Disclosure Statement is filed with the missing parts in the patent application, so it is timely filed without payment of a fee. 37 CFR §1.97.

The filing of this Information Disclosure Statement shall not be construed as a representation that a search has been made (37 CFR §1.56(g)), an admission that the information cited is, or is considered to be, material to patentability or that no other material information exists.

The filing of this Information Disclosure Statement shall not be construed as an admission against interest in any manner. Notice of January 9, 1992, 1135 O.G. 13, at 25.

This Information Disclosure Statement is made to comply with the duty of candor imposed on all individuals associated with the filing or prosecution of this application, as defined by 37 CFR §1.56(c).

Four (4) U.S. patents and two (2) foreign patent documents are listed on the attached one (1) sheet of Form PTO/SB/08A which is made a part hereof. A copy of each foreign reference is enclosed.

The US patent references are in English. The foreign patent documents are both in German. However, Reference A3 is an English-language equivalent of Reference B2. Further, Reference B1 has the following English-language abstract provided at the European Patent Office website:

"The invention relates to an arrangement for stimulating excitable tissue. It comprises an electrical energy source, a pulse generator and electrodes electrically connected to the energy source. The electrodes are switched to create electrical fields, specifically, switched by one and the same pulse from the pulse emitter to create two overlapping electrical fields."

The foregoing Information Disclosure Statement is based upon the information known to the inventor or contained in the undersigned attorney's file as of the filing date of this statement and is inclusive of the best information known to each of the undersigned at that date. Prompt consideration of the Information Disclosure Statement and the references by the Examiner is earnestly requested.

Respectfully submitted,

David J. Muzilla
